

Measurement Form

TTT Volunteer: Record measurement data on this form. Transcribe the Tree ID and Common Name from the Location Form. If the Tree Owner is available, please allow them to read and sign the Site form. It is in your Vol Pack. You also have a Thank You letter to leave with the owner.

If there are any corrections required on the Location form, cross-out the original text, add the new info and initial the correction. Thanks.

After measurements have been made and the data recorded, submit all forms to the following address:

Courtney Blevins
Regional Urban Forester/ Ft. Worth
4200 S. Freeway, Suite 2200
Fort Worth, Texas 76115

All photographs are to be submitted with the forms as specified in the User Guide. Thanks.
